study programmes and admission requirements**GENERAL INFORMATION**

ADMISSION**Application for admission**

It is advisable that applications for admission to study at the Cape Peninsula University of Technology (CPUT) be submitted as early as possible to:

The Registrar
Cape Peninsula University of Technology
P O Box 1906
Bellville
7535

Brochures for courses offered at the various campuses (e.g. Engineering courses) and application forms may be obtained by writing to the Registrar at the address above, or by collecting the brochures and forms from the applications offices at the above campus addresses.

Course information and an electronic application form (to be printed and completed by the applicant) are available on our web site: www.cput.ac.za

Closing dates

THE CLOSING DATE FOR APPLICATIONS IS 31 AUGUST

The closing date for the submission of design portfolios is 31 July

Submission of certificates

A Senior Certificate or equivalent qualification must be submitted by the student upon enrolment at the beginning of the academic year. If this requirement is not met, the University will be forced to cancel the provisional acceptance.

Evaluation of foreign qualifications

Applicants who do not have a South African qualification are required to send their results/qualifications to the South African Qualifications Authority in order to have them evaluated and equated to a South African qualification.

The address is:

The Head of Evaluation of Qualifications
South African Qualifications Authority
Postnet Suite 248
Private Bag X06
Waterkloof 0145

Tel: +27 (0) +12 482 0858/64

Web site: www.saqa.org.za

CAPE PENINSULA UNIVERSITY OF TECHNOLOGY

Applications for such evaluations should include:

All qualification documents, i.e. the highest school certificate issued by the official examining body; complete and legible transcripts of academic records in respect of all degrees or other higher education qualifications, together with the final certificates; preceding qualifications leading to any postgraduate/other advanced qualification when the latter is submitted. Certificates in foreign languages should be submitted together with translations into English by a sworn translator. The relevant evaluation fee can be obtained from the South African Qualification Authority in Pretoria.

In addition to the above, the candidate also has to apply to the SA Trade Representative closest to his/her home for a study permit if the candidate is not a South African citizen.

Residences

Residence accommodation is subject to availability, in terms of the rules, and will be allocated at the campus where the student will be studying. Residence accommodation is available to full-time students only. Students who are not awarded a place in a residence should arrange for alternative accommodation before arriving in Cape Town.

Medium of tuition**BELLVILLE CAMPUS**

The medium of tuition is English.

CAPE TOWN, GRANGER BAY AND MOWBRAY CAMPUSES

1. Language is regarded as an empowering contributor to student success, and every effort is made to provide students with tuition and/or support in their first language.
2. Where viable (taking into consideration economic factors, class size, student preferences, the relevant discipline, the demands of industry), tuition will be offered in English and Afrikaans in separate classes.
3. Where it is not possible to offer tuition in English and Afrikaans in separate classes, the medium of tuition will be English. In such cases Afrikaans and Xhosa speaking students will be offered support, which may be by way of language-specific tutorial groups, the provision of notes and the setting of tests, assignments and examinations in the first language of the student.
4. Faculties/departments are allowed to determine how they implement this policy on the medium of tuition, provided that they conform to the overall guidelines.
5. In the event of the CPUT developing satellite campuses or new service points, the unique language characteristics of the relevant campus or service point will be taken into consideration within the broad contours of multilingualism as contained in the national constitution.

study programmes and admission requirements

WELLINGTON CAMPUS

In terms of clause 5 of the above policy, certain courses at Wellington will be offered in Afrikaans.

Fees

- ▶ Course fees vary, are reviewed annually and are subject to change. A class fees brochure is available on application from the faculty offices. Examination fees are included in the class fees.
- ▶ Fees are payable in advance and are not refundable.
- ▶ Application fee: R100,00.
- ▶ Fee payable on provisional acceptance: R1 250.00
- ▶ Fee payable within two weeks of confirmation of acceptance of first year students: R450.00. A total of R1 700.00 will be credited to the account of the student. Should the student fail to take up his/her place this amount will not be refunded.
- ▶ Fee payable on registration in January: R550,00. Balance of fees to be paid in two instalments by 28 February and 31 August, or in 10 monthly instalments, February to November.
- ▶ Discount: A discount of 5% will be granted if payment in full is received for annual fees before 14 February, and 2.5% for first semester fees paid in full before 14 February. Second semester fees received before 14 August qualify for a discount of 2.5%.
- ▶ International Students: At registration, all foreign students (including students from African countries other than South Africa), must pay R1 400 plus an upfront payment of 50% of the anticipated fees for the year; the balance of the fees for the year must be paid by 31 May of the year of study.

In addition to their course fees, students should budget for accommodation costs (hostel accommodation is also payable in advance), books and pocket money.

Financial aid

Various bursaries, merit awards and loans are available. Further information may be obtained from the Financial Aid Offices on the Bellville and Cape Town Campuses.

CONSOLIDATION OF FACULTIES

Over the next four years (2009 — 2012):

1. The Faculty of Applied Sciences will be consolidated on the Bellville Campus.
2. The Faculty of Business will be consolidated on the Cape Town Campus.
3. The Faculty of Engineering will be consolidated on the Bellville Campus.
4. The Education programmes offered at the Bellville Campus will relocate to the Mowbray Campus.
5. The Faculty of Informatics and Design will be consolidated on the Cape Town Campus.
6. The Faculty of Health and Wellness Sciences will be consolidated on the Bellville Campus while retaining a presence at the Western Cape College of Nursing, Grootte Schuur Hospital and Tygerberg Hospital.

Prospective students will be notified before registration and, in some instances, pipeline students will complete their qualification on the campus of first registration.

QUALIFICATION STRUCTURES

National Diploma, BTech, MTech and DTech

Three years full-time study leads to the award of a National Diploma. National Diploma studies constitute complete study programmes, meet specific business needs and serve as recognised exit levels.

The National Diploma leads to the Baccalaureus in Technology (BTech) or to a National Higher Diploma (NHD). Admission to these one-year programmes (full time) may be subject to additional minimum admission requirements, which may include a minimum pass mark in the third year of the National Diploma programme. Most BTech and NHD programmes are also offered part time over two years.

Advanced qualifications (Masters degree and Doctorate in Technology) may be obtained through full-time or part-time study.

For details about and the admission requirements for the advanced courses, consult the dean of the faculty concerned

Doctor Technologiae (DTech)
Magister Technologiae (MTech)
Baccalaureus Technologiae (BTech)
National Diploma (ND) Third year
National Higher Certificate (NHC) Second year
National Certificate (NC) First year

Baccalaureus Educationis, BEd (Honours), MEd and DEd

Four years full-time study leads to the award of the Bachelor degree in Education (BEd).

The BEd degree leads to the BEd Honours. Admission to this one-year programme (full time) may be subject to additional minimum admission requirements. Most BEd Honours programmes are also offered part time over two years.

Advanced qualifications (Masters degree and Doctorate) may be obtained through full-time or part-time study.

For details and the admission requirements for the advanced courses, consult the dean of the faculty.

Doctor Educationis (DEd)
Magister Educationis (MEd)
Baccalaureus Educationis (Hons) (BEdHons)
Baccalaureus Educationis (BEd)

study programmes and admission requirements

MINIMUM ADMISSION REQUIREMENTS: 2009

As from January 2009 the following admission requirements shall apply:

A National Senior Certificate (NSC) as certified by Umalusi (or equivalent) with an achievement rating of 3 (Moderate Achievement: 40-49%) or better in four recognised NSC 20-credit subjects, an achievement rating of 2 for Mathematics or Mathematical Literacy, an achievement rating of 3 in the required official language at Home Language level and an achievement rating of 2 in the other required language on at least First Additional Language level; one of these languages shall be English or Afrikaans.

Specific minimum requirements for a course (subjects required/recommended, achievement rating, portfolio to be submitted, interview in Cape Town, evaluation tests, or experience required) may apply to each course.

Minimum admission requirements may be adjusted at the discretion of the Dean, subject to the approval of the Faculty Board and the Senate of the University.

For easy reference, the scale of achievement for the National Curriculum Statement Grades 10-12 (General), which will apply as from 2009, is supplied below:

Rating code	Rating	Marks %
7	Outstanding achievement	80-100
6	Meritorious achievement	70-79
5	Substantial achievement	60-69
4	Adequate achievement	50-59
3	Moderate achievement	40-49
2	Elementary achievement	30-39
1	Not achieved	0-29

Need help in deciding on a career?

The Cape Peninsula University of Technology offers the following Student Counselling services to prospective students:

CAREER COUNSELLING SESSIONS/WORKSHOPS

- ▶ This service is offered to Grade 11 and 12 learners as well as recent school leavers.
- ▶ The career counselling process includes an assessment (of e.g. of the interests, values and personality of the client), career decision-making and a discussion of various career options.
- ▶ At Bellville campus individual career counselling sessions are available.
- ▶ At Cape Town campus career counselling is in the form of a one-day workshop and up to six participants can be accommodated.
- ▶ The costs for 2008 are:

Bellville campus	R450 per person
Cape Town campus	R600 per person

(Prices are subject to annual adjustment.)

COURSE INFORMATION SESSIONS

- ▶ Individual sessions with prospective students (free of charge at both campuses) provide information about all the courses offered by the University.
- ▶ These one hour sessions do not include an assessment. The client should bring along any previous assessment results or recommendations (if by another professional/service) in order to gain the most benefit from the sessions.

OTHER RESOURCES

- ▶ Visitors to our campuses in Bellville and Cape Town can make use of the **Career Mentor** — a computer programme providing a short interest assessment as well as information on different careers and training institutions.
- ▶ The Resources Venue at our Bellville and Cape Town Campuses also provide information about some of the training institutions and companies in the Western Cape.

Make an appointment

Services are provided by psychologists and psychologists-in-training. For more information or to make an appointment, please phone:
